

VOLUNTEERING - WITH BENEFITS!

At Colony Cats Adoption Center, the “pawsitives” of volunteering abound - literally! As a helper at our cageless center, you will be entertained by the playful antics of our cat adoptees - they are up, down, and all around!

Other benefits include fuzzy nuzzles from kittens, affectionate head-butts, cuddles with lap cats, and getting to see kitties go off to their new homes with their adopters.

Pitch in with other animal lovers to keep the center tidy and care for the cats - the rewards are as many as the number of tails you can count at the center! Hours are flexible to your schedule.

Colony Cats Adoption Center is a happy, uplifting environment where your time and efforts will make a difference for many cats awaiting a second chance.

If one of your favorite sounds is “meow” please contact us now!
