

# JULY VOLUNTEER OF THE MONTH

## EMILY

### What I like best about volunteering at Colony Cats:

What I like best is helping sick cats get healthy.

### My pets at home:

*Chewie*: a 14-year old shih tzu mix

*Houdini*: an old toothless guy from Colony Cats

*Mr Toes aka Mistletoe*: an FIV + guy I am "fostering" from Colony Cats.

### What I'd like you to know about me:

Nothing. I'm shy.

### Where you can find me when I'm not volunteering for Colony Cats:

When I'm not volunteering at Colony Cats, you can find me at work, out with friends, or in Cincinnati, where my family lives.

### Dogs or Cats Rule?

Dogs rule. Love cats too, but dogs have a slight advantage.

### What's your advice to a new Colony Cats volunteer?

My advice to new Colony Cats volunteers is to keep coming back! It seems overwhelming sometimes but you are making a difference.

### Your unique Q&A, thoughts, or favorite saying:

#### *Favorite Saying:*

"Saving one animal won't change the world, but it will change the world for that one animal."

Emily is a valuable member of Colony Cats' team. She has been a twice a week volunteer for 7+ years caring for the cats in our sick bay/intake area.
